

Women in STEM Conference April 28th

Description

Panel: April 28 at 12-1:30 p.m.

Join alumni professionals with science and engineering backgrounds as they discuss their career paths, communicating ideas, and challenges they've navigated as females in STEM industries.

Mariel Cisneros, MAS '18, Systems Engineering Manager, Northrop Grumman
Kaitlyn Lowder, MS '16, PhD '19, Senior Program Associate, The Ocean Foundation
Elaine Lea-Chou, PhD '99, Director, Corporate Strategy, OncoNano
Shiva Malek, PhD '00, Executive Director, Head of Discovery Oncology, Genentech
Stephanie Moore '20 Analyst, Deloitte

Must register here on Handshake by April 27 at noon. You will receive an email with the conference's Zoom link on April 27 in the afternoon.

Informational interview with industry professional: Any time April 29-June 4. Register here (NOT Handshake) by April 25: <https://forms.gle/n4H9sA92tQm5c3UA6>

PLEASE NOTE THAT THERE ARE TWO REGISTRATION LINKS FOR THIS EVENT: To register for the panel, register here on Handshake. To register for networking/informational interview with industry professional, register here: <https://forms.gle/n4H9sA92tQm5c3UA6>. You may register for one or both events.

You will receive an email matching you with a participating industry professional by April 26. Schedule a time to have an informational interview with her where you can ask questions about her career in order to help you launch yours.

In order to participate in the informational interview, you are required to attend a remote Virtual Interview Training on April 26 at 11:30 a.m.-12 p.m. You will receive a Zoom link to the training upon registering below.
