APPLICATION OPEN!

RESEARCH APPRENTICESHIP PROGRAM FALL 2022

default watermark

BRAP aims to expose students to cutting-edge research being done in labs at UCSD and to provide them with the opportunity to gain tangible research experience.

Awardees will receive a **\$1,000 research stipend** distributed through the financial aid office for the quarter in which they participate in research.

Application due: Oct 16, 2022
Find the application questions, the submission portal, and information about eligibility at:
tinyurl.com/FALLBRAP

Please reach out to us at bump@ucsd.edu if you have any questions :)
