AND SELECTION CRITERIA*

JWG Scholarship Fund for Biology and Molecular Biology

The JWG Scholarship Fund was established in memory of a Solana Beach resident who was a researcher in molecular biology. His family wanted to celebrate his accomplishments and passion for science by supporting other young people to follow this path.

The JWG Scholarship is a fund of the Coastal Community Foundation (CCF). The Foundation is a nonprofit corporation created in 1987 by residents of North Coastal San Diego County. The mission of CCF is to enhance the quality of life in the San Diego North County area by directing philanthropic efforts toward community needs.
