Mentorship and Networking Program, Research and Medicine

Description
Mentorship and Networking Program for URG Undergrads in STEM

Saturday, Nov. 4 • 9 a.m.–4 p.m.
San Diego Convention Center

Thinking about a career in research or medicine? Attend this free, one-day program to network and learn about potential opportunities.

Explore various career paths through this interactive, day-long workshop hosted by the Society for Immunotherapy of Cancer (SITC)! Learn from leaders in the field during an immunotherapy 101 presentation, meet with mentors from various backgrounds, experience the largest scientific conference on cancer immunotherapy and spend time networking with other students interested in research, science and medicine. You’ll walk away with your questions answered and connections to guide you on the road toward your next career step.

Program Highlights:
• Free breakfast, coffee, snacks and lunch provided!
• Meet peers from other San Diego area colleges
• Dedicated mentoring opportunities available for diverse career paths
• Tailored presentations plus independent exploration time
• $35 gift card to cover travel expenses will be available onsite for those in attendance

RSVP by Oct. 18, 2023

Interested? RSVP here to reserve your spot in this FREE event!
