LIFE SCIENCE WORKFORCE SYMPOSIUM

October 26, 2023
1:00PM-5:30PM PDT
10996 Torreyana Road
San Diego, CA 92121

- Gain valuable insights into the life science industry and learn about various career paths, including those that do not require a science background
- Specifically designed for veterans and service members transitioning out of the military and underrepresented populations—including but not limited to: college students, professionals and job seekers of all ages, backgrounds and educational attainment levels
- Join the breakout sessions for tips & tricks on navigating the hiring landscape, transitioning your military skills, and how to network effectively
