

BILD 80 Job and Internship Applications

Description

default watermark

ENROLL NOW IN THIS FALL 2022 COURSE!

Open to Biological Sciences undergraduate students.

BILD 80 Job and Internship Applications **Tuesdays 9-9:50 a.m. in person**

Take this class if you want a job or internship
immediately or for next summer!

Topics that will be covered:

- Where to find jobs and internships to apply to
- How and when to apply
- How to build and leverage a professional network
- Interview skills

Students will create a resume, cover letter and LinkedIn account, and will have a mock interview with an industry professional.

Questions? Contact Melissa Hoon at mhoon@ucsd.edu.
